

# LEADERSHIP TRAINING ASSERTIVE SUPERVISION

*Practical Approaches to Performance Management*

**COMMERCE      OCTOBER 15 - 17, 2019**

**Hosted by the LA HIDTA Training Center**

**5801 Slauson Ave. Los Angeles      Class starts at 0800**

**POST Control #9750-12100-019      STC Certification # 5200-046792**

This 24-hour workshop is for sworn and civilian law enforcement supervisors, trainers, and leads, including probation and corrections personnel. The course is certified by POST and STC. Approximately 40% of students are professional (civilian) staff.

***This is also an excellent course for aspiring supervisors.***

Let MCA help you develop the knowledge and skills necessary to create an environment where employees can thrive and effectively deal with those employees who are unable or unwilling to perform. Our practical, common sense techniques, gets results without the abuse of power or employee rights. You can hold employees accountable for their job performance and behaviors at work and gain their respect at the same time. And don't let the title of this course mislead you. Assertive Supervision does not mean aggressive supervision. Some attend this course to learn how to tone down their approaches.

Learn how to:

- Establish and assert your authority while respecting employee's rights
- Develop performance standards that clearly communicate expectations
- Give effective feedback and write meaningful performance evaluations
- Implement interventions that effectively correct performance problems
- Apply disciplinary due process
- Confront difficult and resistant employees without losing
